JANUARY - APRIL

FROM ONE HEARTFUL SESSION TO
ANOTHER, OUR JOURNEY CONTINUES...

NATIONAL YOUTH DAY

On the Eve on National Youth Day, it was a Proud Privilege to have Her Excellency RT Hon Patricia Scotland, Secretary General Commonwealth at The Fireside Talk with the Students of The Heartfulness Learning Centre, Kanha Shanti Vanam Hyderabad on the theme 'How Can We Give Back?' - Service for a Peaceful & Unified Humanity'. Her Excellency ignited the students with the anecdotes of her life and the goal of Commonwealth. This indeed was a life changing experience for the students.

Following her last visit and the interaction with the children, Her Excellency RT Hon Patricia Scotland, Secretary General Commonwealth, graced THLC with her presence at the school premises. Being moved and impressed by the Journey of Kanha- becoming a paradise from a barren land which was beautifully showcased by the SDGs club of THLC, Her Excellency inspired and motivated the children to stay connected with and concerned towards mother nature- giving back the love we have been receiving!

THLC had the honor of hosting **Shri C.P. Radhakrishnan (Governor of Telangana)**. His presence brought about a sweet breeze of motivation and inspiration. The Governor shared golden words of wisdom that will resonate with us for years to come. Correspondent Sir Mr. Pravin D and our Principal Ma'am Ms. Bhavna V S escorted the guest and shared the practices, vision & mission of the school with the guest, Shri Radhakrishnan ji, who was highly impressed and expressed his appreciation for unique practices of the school. We extend our heartfelt gratitude to the Governor for his valuable time and words of encouragement.

**UNLEASHING THE SPIRIT:
A TRIUMPH OF SPORTSMANSHIP!**

Annual Sports Meet isn't just an event; it's a celebration of camaraderie, athleticism, and school spirit. Every year, students and faculty alike eagerly anticipate this day, marking it on their calendars and preparing to showcase their skills, teamwork, and sportsmanship. Our children from Cluster 1 to 4, across the houses, not only participated but enjoyed all the sports events and competitions to their hearts' content with Chinna Madhusudan garu as the chief guest.

Sports Day isn't just about winning; it's about giving your best, pushing your limits, and celebrating the joy. The spirit of healthy competition permeated the air as students engaged in various sports and games, showcasing their skills while also respecting their opponents.

The sports ground roared with slogans and cheers and jeers as the winners were announced- The Kashyapa House!

CELEBRATING OUR REPUBLIC!

PATRIOTIC POMP AT THLC

Republic Day holds a special place in the hearts of every citizen, and at THLC, it's a day of profound significance and heartfelt celebration. With patriotic fervor in the air, students and faculty come together to honor the rich tapestry of our nation's heritage and the values enshrined in our constitution. With Capt. Vineet Ranawat as the chief guest, the celebrations began with a solemn flag hoisting ceremony, where the entire school gathered in unity. The national anthem reverberated through the air, echoing the collective reverence for our country. As the flag unfurled majestically, hearts swell with pride, reaffirming our commitment to the ideals of justice, liberty, equality, and fraternity.

EDUCERE: CLUSTER 1 & 2

Keeping up with the tradition of a stupendous show- Educere, THLC's annual function, the multi-purpose hall at Kanha Shanti Vanam saw a splendid display of performances by the children of grades 1 to 5, with the theme centered around Vedamrutam- nectar from the Vedas. The performances took inspiration from various books such as 'Tales from Vedas and Upanishads' and 'Spiritual Anatomy' by Daaji, being showcased in the form of role plays, dances, and drama. The program was well-received by the audience, whose participation through encouragement and applause kept the children motivated.

CLUSTER-1

PRE-REPUBLIC DAY CELEBRATIONS

The children from Cluster-1 celebrated Republic Day in a unique way. The children across the grades wore attire as per the theme given to them. Interestingly the parents had to be dressed up accordingly as well. It was a great bonding as well as fun opportunity for the parents and the children as they walked the ramp together. During the event, the winners of the Patriotic Speech Competition were awarded medals as they confidently re-delivered the same on stage.

INDOOR AND OUTDOOR ACTIVITIES

In order to make learning fun, the teachers have to adapt to different strategies and activities. Engaging these tiny tots of Cluster -1 who are curious, full of energy and ever ready to explore; our teachers plan various activities- both inside the classroom and outside. Here is a Kaleidoscope of a few such activities and our little ones with a smile on their face and twinkle in their eyes!

**EK BHARAT, SAMAGRA BHARAT PROJECT:
TELANGANA AND JHARKHAND**

The Ek Bharat, Samagra Bharat Project of CBSE gives the educators and the students the opportunity to get acquainted with the diverse cultural heritage of our country, India.

The underlying concept of unity in diversity also surfaces as children not only read and research about the different culture and tradition of another state but also learn about the significance of those practices.

Art Integration, in various forms, serves as the cherry on cake as the children enjoy as they learn!

THIS NEWSLETTER REMINISCES THE EVENTS OF THE SESSION 2023-24 THROUGH AN ARRAY OF COLORFUL PICTURES.
THE FOLLOWING NOTE IS OUR WAY OF EXPRESSING GRATITUDE TO ALL THE PARENTS, WHO WORK EQUALLY HARD ALONG WITH THE SCHOOL AND THE TEACHERS.

Thank You Note

*I dreamt,
I stood in a studio,
and watched two sculptors there;
The clay they used was a young child's mind
and they fashioned it with care.*

*One was a teacher - the tool she used were books,
music, and art.
The other was parent, with guiding hand,
and gentle loving heart.*

*Day after day the teacher taught,
with a touch that was deft and sure
while the parent laboured close nearby
and polished and smoothed it over.
And when the teaching task was done
they were proud of what they had wrought*

*For the things they had molded into a child
could never be sold or brought.
And both agree they would have failed,
if each had worked alone
for behind the parents stand the teacher,
and behind the teacher, stands the HOME*

• TEAM ONE THLC!

**THANK
YOU**
